

PETITION
FOR ALTERATION TO THE 328 BUS ROUTE

**To the Honourable the Speaker and Members of the
Legislative Assembly of New South Wales**

The petition of local residents, and users of the new 328 bus route, and others concerned;

Bring to the attention of the House the lack of suitable transport to and from Edgedliff Station and the City from the Darling Point peninsula since the cancellation of the 327 bus route to the city. It is requested that the current bus route be extended to Double Bay and Martin Place to allow ease of access to ferry services and social medical purposes. Modes of transport at the Edgecliff Interchange extremely difficult for less mobile people and in some cases impossible.

We the undersigned petitioners also request the NSW Government maintain the extend the current 328 bus route and that it provides transport into Martin Place and Double Bay.
